

TERMS & CONDITIONS

for proposals, bookings, invoicing and payment

Proposals

- When an enquiry is received we usually send you a proposal of the entertainment and activities we can offer. Proposals are only current at the time of print – you need to confirm the booking promptly as we reserve the right to take other bookings if you have not confirmed. You can make a provisional booking although it is not guaranteed until you confirm the booking.

Bookings

- Once confirmed we will send you a letter of confirmation. We will keep in touch to discuss arrangements and other considerations.

Invoicing

- We invoice approx. one week before the event. If you issue purchase orders please ensure we receive this as soon as possible.

Payment

- Payment terms are 30 days after the event

Request & Requirements

- On proposals we may **request** certain items, conditions etc – these are to ensure a smooth and comfortable event for the participants, us and you.
- On proposals we may state **requirements** such as access to power, chaperones/stewards required or vehicle on site. These requirements are usually needed as for the entertainment and a smooth flowing event, although if not all requirements can be met we are happy to discuss alternative ways of delivering the entertainment.

As a company of working performers we appreciate if bookers can make the most of the online office, information & contact facility. We also understand and agree with the need for telephone contact and for site visits and can arrange these when necessary.
